■ Findings

Admin Panel → <https://demo.testfire.net/admin>

■ Recommendations

Restrict access to admin panel: <https://demo.testfire.net/admin> using authentication and IP filtering.

■ Risk Distribution Overview

This chart represents the distribution of identified risks across severity levels.

High: 1

Medium: 0

Low: 0

Severity levels are categorized based on potential impact and exposure. High-risk findings require immediate attention, while medium and low risks should be addressed based on priority and context.
